Open House and Informational Session Dates

Dore and *My Sensory Solutions* host events to raise awareness about learning difficulties and to provide information. Share our commitment to helping children and adults who are affected by learning difficulties.

Families, Educators, Medical and Health Professionals are cordially invited to attend a FREE informational session at the Hallowell Center in Sudbury

Learn about the Dore and *My Sensory Solutions* programs for children and adults with AD/HD, dyslexia, autism, auditory processing, sensory processing and other learning difficulties
